NLP Master Practitioner

Course Overview

“Pound for Pound the best value training I have ever been on. Tremendous breadth of capabilities”

John Little, Shearwater

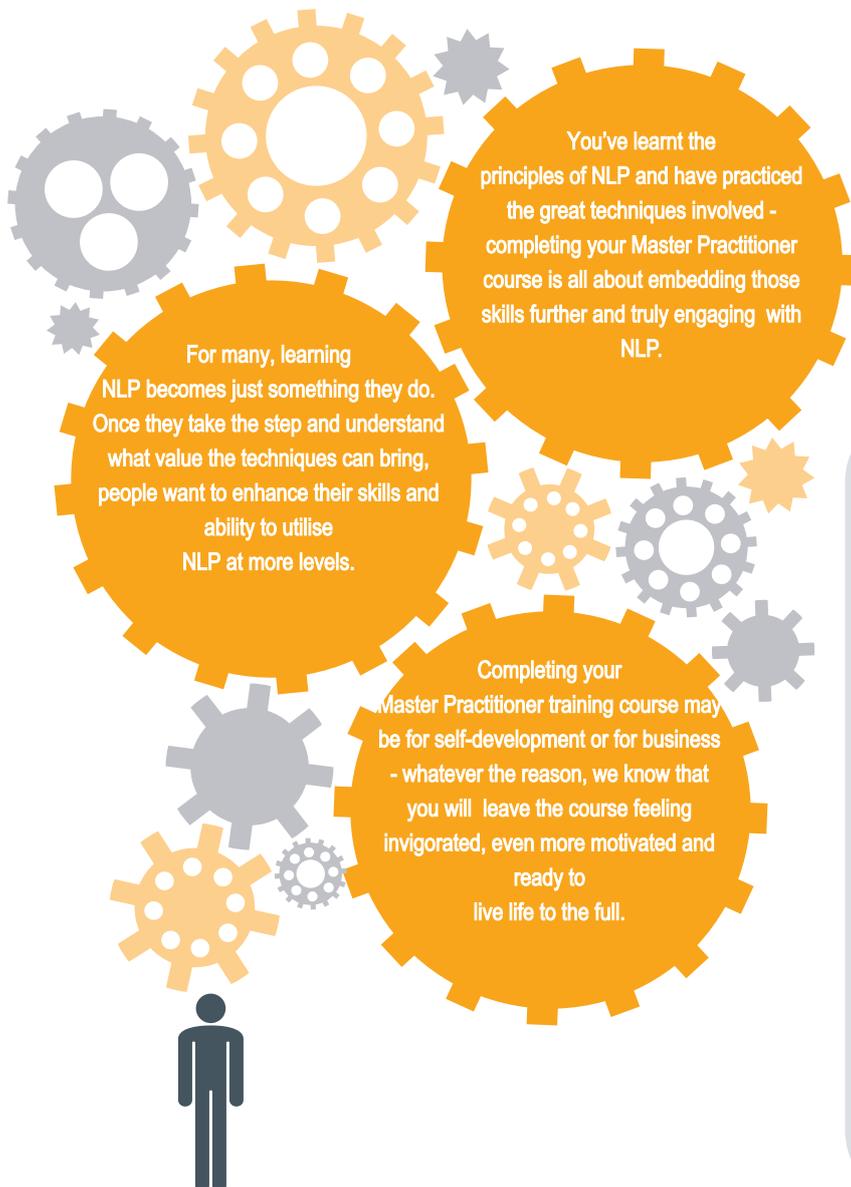

We know from our own experience and that of many others that NLP will become such an integral part of your life that you'll just want more, more, more!

Like most people, it's highly likely that once you become a certified NLP Practitioner, you'll develop a natural curiosity which will mean you'll want to take it to the next level and complete the NLP Master Practitioner training to quench your thirst for knowledge.

When you achieve the standard necessary, you'll have the Master Practitioner certificates:

- Master Practitioner of NLP

Edge NLP are one of the few training establishments accredited to offer Time Line Therapy™ at Master Practitioner level. This is delivered as a separate course .www.edgenlp.co.uk for details

It's now time to really embed your **NLP** learning...

Reasons to choose EDGE NLP

- We use a specific approach to the breakthrough sessions that delivers a deeper experience and more effective transition
- Ability to develop your business plan as part of the course
- Our course is over 6 days to allow learning to full submersion
- The Edge trainers bring a multitude of business skills and life experiences that are unique only to them
- After your Master's and TLT & Hypnosis Courses you are then able to complete the Mastery Course with Advanced Hypnosis and TLT
- We can also offer the Institute of Leadership & Management Level 7 qualification whilst completing the course - contact us for more information and price for the additional element.

How the Course Works

This course was designed by Dr Tad James, one of the most eminent people in the field of NLP who has been involved in its development for 30 years.

He designed it in a way which uses NLP techniques to **enhance** your understanding and learning of NLP in a **structured and easy to follow way**.

We are approved and certified by the ABNLP, the TLT™A and the ABH. **Our course includes the following:**

- Audio material narrated by Tad James MA, PhD, one of the leading lights in Neuro-Linguistic Programming. This forms the basis for your pre-course study.
- Certificates: Master Practitioner of Neuro-Linguistic Programming,
- A comprehensive online course manual
- Pre-course examination paper
- A 6day training course that introduces, explains and demonstrates all the NLP subjects that are required by the ABNLP. Training given by a Certified Trainer of NLP, a Certified Trainer of Master Time Line Therapy™ and a Certified Trainer of Hypnosis

The fun begins! The course duration is 6 days,

How does it work?

On booking you receive the pack and you start to learn straight away whilst listening to the audio files and reading the comprehensive manual. As with your Practitioner training, you'll fill out a questionnaire that ensures that you have a clear understanding of each topic. If you get stuck then you just email or call us and we'll help you.

When you have completed the pre-course study you email us the questionnaire and once more we give you feedback and help you with any parts of it that you appear to be unsure of.

Our course outline includes:

- The Psychology of Suggestion
- Advanced Sub-Modalities, Strategies
- Special Advanced Language Patterns
- Values, Beliefs, Criteria
- Modelling (including a modelling project)
- Basis of Long Term Change
- Prime Concerns
- Drama Triangle

Course Content Overview

Specifically, you will learn how to:

Negotiate with Elegance:

Master the practical negotiation process of using values elicitation and chunking together.

Expand Your Thinking 4 Ways:

Sub-Modalities are the building blocks of thoughts. Learn the intricacies of human thought, how to optimize and change your own thinking patterns, and how to enhance your impact on others' thinking patterns. Practitioner level material is expanded to new realms of usefulness.

Learn the Secret Process that Dominates Everyone's Behaviours:

Values & Meta Programs are a practical analysis and description of the processes that dominate everyone's behaviours. They provide systematic exploration of how to motivate, encourage and communicate with wide varieties of behaviours and belief systems. Some of the most useful information in NLP!

Learn the Secret Behind the Secret:

Modelling is the advanced material that introduces you to the very processes that created NLP. You will learn modelling and complete a modelling project. We must always remember that modelling is at the heart of NLP.

Control Your Language & Master Success:

Even more of the most effective and practically useful ways of communicating and persuading. Mastery of language patterns creates ensured success in all aspects of your life

And More: as a separate course

As you will find at every level of knowledge, just learning how to get results isn't always enough to actually get them. The advanced Master Time Line Therapy® and Hypnosis techniques have come to be what Tad James is best known for, and you will benefit from his development and mastery of these very special topics. If your interest is in achieving superior results in business, making personal breakthroughs, or creating a successful therapy practice, these techniques will empower you to make it happen!

And... Much, much more ...

and all at an advanced level! Topics such as Quantum Linguistics, Hierarchy of Ideas, Sleight of Mouth, Platform Skills, Prime Concerns, Suggestibility, Advanced Healing, and Allergy Intervention are just the tip of the iceberg of what we have in store for you when you join us for the Intensive NLP Master Practitioner Certification® Training.

Common Questions we get asked...
